TECHOX LLP.

TECHOX LLP

OUR SERVICES

1. DEVELOPMENT
2. IT CONSULTING
3. DIGITAL MARKETING
4. E-LEARNING (TRAINING AND DEVELOPMENT)

DEVELOPMENT

An abstract graphic on the left side of the slide. It features a dark, stylized hand or arm reaching upwards, holding a glowing, textured sphere. The sphere has a bright yellow center and a blue, swirling, nebula-like pattern. The background is a dark blue gradient.

We deliver custom web, mobile and desktop software solutions. Our software confidently works across all popular browsers, OSes and mobile platforms, scales to millions of users and delivers immaculate UX through a clear, logical layout and smooth workflows. Our engineers build comprehensive custom software for enterprise clients with advanced security, scalability and complexity needs. Our design team is comprised of highly skilled web and mobile developers, graphic designers, and strategists.

IT CONSULTING

We know the way, we show the way, and we go the way – the way that takes your IT processes to maximum productivity and profitability. Our solutions in IT consultancy are competent in transforming your business by mapping IT priorities and strategies to your business objectives. You can count on our undisputed IT expertise and in-depth industry insight to get highly practicable and rapid-action IT solutions.

DIGITAL MARKETING

TECHOX team help you develop an online marketing strategy to drive more qualified visitors to your site and convert those visitors into leads and sales. Social media like Facebook, Instagram etc is a great way to promote the launch of a product or service. We strongly recommend investing in a comprehensive online marketing strategy that ties together a variety of digital marketing services. Consumers now flip back and forth between stages in the buyer's journey, so employing a variety of tactics like email, video, SEO, and PPC are a must.
